IN REPLY REFER TO FILE

ADDRESS ALL COMMUNICATIONS TO
COMMISSIONER OF FISHERIES
WASHINGTON, D. C.

November 12, 1921.

Memorandum for Mr. Bower:

I have been checking up to-day preparatory to mailing out the statistical blanks, and I find such a lot of names of operators of last year are not on Mr. Ball's list for this year that I wonder if you would mind asking him if none of the following operated this year:

Ainsworth-Dunn Co. - floating plant
Alaska Salmon & Herring Packers - Tyee
American Packing Co. - Juneau
Anacortes Fisheries Co. - Kasan and Shakan
Baranof Packing Co. - Red Bluff Bay
Beauclaire Packing Co. - Port Beauclerc
Burnett Inlet Packing Co. - Burnett Inlet
Cape Flattery Fisheries Co. - floating plant
Hood Bay Packing Co. - Hood Bay
Ketchikan Packing Co. - Ketchikan
Marathon Fishing & Packing Co. - Cape Fanshaw
Mount Baker Packing Co. - floating plant
Mutual Packing Co. - floating plant
Northern Packing Co. - Juneau
Northwestern Fisheries Co. - Dundas Bay, Quadra, Roe Point and
Santa Ana
Point Warde Packing Co. - Point Warde
Pure Food Fish Co. - Ketchikan
Pybus Bay Fish & Packing Co. - Pybus Bay
Pyramid Packing Co. - Sitka
Revilla Packing Co. - Ketchikan
Sanborn-Cutting Co. - Kake
Sitka Packing Co. - Sitka
Starr Collinson Packing Co. - Moira Sound
Straits Packing Co. - Skowl Arm
E. R. Strand - Wrangell Narrows
Todd Packing Co. - Todd
Union Bay Fisheries Co. - Union Bay

Have received nothing from Mr. Baker for central Alaska. If he has not sent a list already, please have him do so right away.

I have no list for western Alaska either. Shouldn't one be sent?

Mrs. Bower is going to have dinner with me at the Allies Inn to-night and see the illumination of the jeweled arch. I saw it last night and it is a wonderfully beautiful thing. You know the jewels are the ones used on the tower at the San Francisco Exposition.

Mary S. Haines.
